

SEVEN INJURED IN 3 ACCIDENTS OVER WEEKEND

Seven persons were injured in three weekend auto crashes and property damage totalled \$2,965, state police reported today.

Most seriously injured was Earl Sprowls, 73, of DeKalb Junction, N. Y., who is a patient at the Warner Hospital with lacerations of the face and lips and several broken ribs on the left side.

Sprowls was one of three injured when two cars collided at 10 o'clock Sunday morning two miles north of here on the Harrisburg Rd.

Airman First Class Eugene Lewis Davis, 20, of 22 York St., home on furlough from Elgin Air Force Base, Fla., was driving north and attempted to pass a car driven by Edgar Weaver, R. 4.

As he did so, Davis said, another car, headed south, loomed out of the fog and the two vehicles crashed head-on. Davis suffered a number of cuts and scratches of the head and arms, a puncture wound of the arm and a cut of the leg requiring five stitches to close. He was treated at the Warner Hospital.

Hits Windshield

Dorothy S. Byland, 46, of DeKalb Junction, driver of the other car, was uninjured. Sprowls, a passenger in the Byland vehicle, was in the front seat and was thrown against the windshield. Evelyn Hintruss, 15, of DeKalb Junction, also a passenger in the Byland car, was knocked unconscious but not injured, the hospital reported today. Damage in the two cars totalled \$1,400.

Three Marines and a Mount Saint Mary's College student were injured in a crash 6 1/2 miles south of here on the Emmitsburg Rd. at 6:40 o'clock Sunday night.

Police said Cpl. Thomas Henry, 22, was driving south and attempted to pass a truck when he saw Edwin A. Weyman, 48, of Pottsville, driving north.

Washington St., became the bride of Frank Davila, son of Mr. and Mrs. Frank Davila Sr., New York City, Sunday afternoon at 3 o'clock in a ceremony performed by the Rev. Dr. Ralph R. Gresh in St. James Lutheran Church.

Richard B. Shade, organist, accompanied the vocalist, Miss Virginia Fox, niece of the bride, who sang "O Promise Me," "Through the Years" and "O Perfect Love." Mr. Shade, who played traditional wedding marches, also offered "The Lord's Prayer" during the ceremony.

Given in marriage by her father, the bride wore a full-length white net gown over tulle and a full skirt accented with embroidered net panels. She carried a colonial bouquet of white pompons designed with a center of red roses and tied with white ribbon streamers.

Her bolero jacket was of lace, designed with a Mandarin collar, and she wore matching shrimp-colored mitts. Her headpiece was a crown of autumn flowers and she carried a matching bouquet.

Joseph Cicari, Jamesburg, N. J., was the best man. After the ceremony a reception was held at the home of the bride.

Upon returning from a week's honeymoon in New York City the couple will reside at Portsmouth, Va.

The bride, who was graduated from Gettysburg High School in June, has been employed in the Department of Public Instruction, Harrisburg. Betty Leister, eight-year-old daughter of Mr. and Mrs. Fred Leister, Littlestown R. 1, was operated upon at the Warner Hospital Sunday for a ruptured spleen received Saturday morning when she fell about eight feet from a manure spreader.

The injured girl and her brother, Fred, aged six, were being taken for a ride by their father on the spreader when both were thrown to the ground after the scoop opened as it reached a height of about eight feet.

Fred was treated at the hospital for minor injuries after which he was released.

100 PERSONS AT ANNUAL DINNER HERE SATURDAY

More than 100 attended the 23rd annual banquet of the Past Commanders and Past Presidents Association of the Sons of Union Veterans Saturday night at the Hotel Gettysburg.

The affair is held yearly by the organization in commemoration of the Dedication of the Gettysburg National Cemetery by President Abraham Lincoln on November 19, 1863.

Maj. Gen. U. S. Grant III, commander in Chief of the Sons of Union Veterans, who was scheduled to be the principal speaker, was unable to attend the program. A federal employee, he wired he was unable to complete an assignment in Phoenix, Arizona, in time to speak at Saturday's affair.

Movies Are Shown

Instead of a talk, motion pictures were shown of incidents based on Lincoln's life and his address here. John H. Runkle, Harrisburg, chief of staff to General Grant, introduced the toastmaster, Rev. James E. Morecraft, Harrisburg. Singing of "America" was led by Charles Crossley, Harrisburg. The invocation was given by Rev. Herman G. Stuemphle, pastor of Christ Lutheran Church here.

9-Year-Old Daughter Of U.S. Colonel Murdered In Japan

SAGAMIHARA, Japan (AP)—Army investigators said today they were stumped in the vicious slaying of the 9-year-old daughter of an American colonel.

However, they suggested the killer may have been someone she knew and trusted.

The killing left a haze of fear over this huge U. S. Army housing area, which usually rang with the shouts and laughter of playing children.

Funeral services will be held Tuesday for pretty, red-haired Susan Rothschild, whose gaggled body was found in a drainage ditch shortly after dark Saturday by her father, Col. Jacques H. Rothschild.

Her face and neck had numerous bruises and scratches, Army doctors reported after an autopsy, but "there was no evidence of assault or attempted assault."

Vicious Murder

Investigators for the Army's Criminal Investigation Division (CID), however, did not discount the possibility of an attempted sex crime by a killer frightened away before he could violate the child.

An Army spokesman said investigators had found no clues to what the Army termed a "brutal, vicious murder" and that it was holding no suspects.

"Usually in a case like this," said one CID agent, "you soon find some small thing as a starting point in your investigation. But so far in this case we must still find that something."

Meanwhile, frightened parents in this suburban-type housing development were conveying their children to and from school, making them stay indoors or within the confines of their own yards. A children's snack bar, usually crowded with youngsters after school, was empty.

Rare Crime In Japan

One Army source pointed out that "crimes such as this against children are very rare in Japan." It was a veiled indication that investigators may be searching for an American youth or man as the killer.

A former Japanese houseboy in the Rothschild home was picked up by CI agents in the housing area Saturday night and questioned until about noon yesterday. Then, the Army said, he was released after establishing an alibi which was considered "virtually airtight."

One theory of investigators was that Susan was killed by someone she knew and trusted. They pointed out that her bicycle was found upright on its own parking stand about 100 feet down the path from where her body was found.

They believed it possible that she got off the bicycle, parked it, and then walked down the path with the killer. Investigators admitted, however, that it was possible that the killer may have set up the bicycle.

Mrs. Rothschild was confined to her bed today and both parents were described as "completely broken up by the tragedy."

David B. Gouker, Near Aspers, Celebrates His 96th Birthday Today; Chews Strong Tobacco

A man who as a backwoods Maryland youth watched the remnants of a defeated Confederate army straggle back to their homes following the Civil War, and who later conducted the Littlestown band way back in the 1880's, celebrates his 96th birthday today.

One of Adams County's oldest citizens, David B. Gouker, Aspers R. 1, has been unable to leave his room for the past three and one-half months but according to his son-in-law and daughter, Mr. and Mrs. John Hartlaub, "He's still man enough to chew huge quantities of a strong York County tobacco named Black Double X."

The possessor of good health for most of his 95 years, Mr. Gouker was still active about his home up until last August. Since then he has been on the decline. His wife, Josephine, died a number of years ago at the age of 86. Oddly, this was the same age at which her mother and grandmother passed away.

Farmed Near Round Top

Gouker was born in Carroll County, Md., in 1857. He was a cigar-maker as a youth who, at middle age, took up the plow after purchasing a farm near Round Top, Cumberland Twp.

Although he claims never to have attended a day of school in his life, the Aspers nonagenarian taught himself to read, write and cipher. "He probably knew more northern and southern geography

PLACE SPECIAL SCREEN FOR NEW FILM "THE ROBE"

The Majestic Theater will spend \$11,000 in new equipment to bring to its Gettysburg and Adams County audience "The Robe," first motion picture filmed in the new CinemaScope process developed by the Twentieth Century-Fox Studios.

Manager Sydney J. Poppay estimated the price of equipping the local theater with a new projector, a special lens, and a wide curved screen with multiple speakers for the panoramic type of movies with three-dimensional effect will cost at least that much.

Lloyd C. Douglas' best selling novel "The Robe" has been booked at the Majestic for one week, beginning December 9. Equipment will be installed by the Stanley Warner Company. According to Poppay, a four-man crew of RCA Sound Engineers will begin the conversion next Friday.

Illusion Of Depth

CinemaScope enables its audience to achieve the illusion of depth without the wearing of polaroid glasses. The special screen, curved and reflectorized, will be two and one-half times as large but smaller in height than the present white screen. Stereophonic sound will permit sound waves to emanate from the persons or actions on the screen.

Poppay explained that the new installations will be permanent. The stage curtain will be partly closed to mask the unused portion of the wide screen when the conventional size movie is shown.

A York actor, Cameron Mitchell, has a one-line speaking role, but is not seen in "The Robe." He plays the voice of Christ. Mitchell does, however, have a leading part in the second CinemaScope production, "How to Marry a Millionaire," also filmed in color.

SEEK USABLE CLOTHING HERE

The annual Thanksgiving Clothing Collection for Korea and the refugees of Europe, the Near and Far East is being conducted this week at St. Francis Xavier Church with an established goal announced by Bishop George L. Leech, of Harrisburg, of one usable garment from every person in the diocese.

Paul C. Callahan, Highland Park, is chairman of the Holy Name committee which will pack and ship the clothing and Mrs. George Groft, W. Middle St., heads the NCCW women who are sorting the donations brought in to the school during the week.

The clothing will be received Monday, Tuesday and Friday evenings from 6:30 until 8 o'clock in the cafeteria. If anyone is unable to deliver the clothing between 6:30 and 8 o'clock he may phone the school (855-W) between 6:30 and 8 o'clock and the committee will have someone call for the articles.

Blankets and bedding are in great demand. Children's clothing, layettes and knitted garments are urgently needed, as are work shoes, dress shoes and sandals. High-heeled women's shoes cannot be used. All garments and shoes should be in good condition and clean.

WOMAN IS INJURED IN SUNDAY MISHAP

A 38-year-old Binghamton, N. Y., woman was injured when the auto in which she was a passenger was involved in a crash with another car as it attempted to make a left turn on Lincoln highway a mile west of Abbotstown at 3 p.m. Sunday.

The woman, Mrs. Ethel Emmons, was admitted to the Hanover Hospital with possible head injuries and bruises of the right hip and arm and of the body. Her condition was listed as good. She was taken to the hospital in the Hanover ambulance.

State police said a car driven by her husband, Francis Emmons, 43, was going west and as it pulled across the road it collided with a car driven east by Edward L. Becker, 26, of Hanover R. 3. Total damage was estimated at \$500.

Emmons pleaded guilty to a charge of making an improper turn brought by state police and was fined \$10 and costs before Justice of the Peace Sylvia J. Craumer, of Paradise Township.

JURY PONDER ITS VERDICT IN LIQUOR ACTION

A jury this afternoon was deliberating its verdict on the charge of driving while under the influence of intoxicants against John J. Routsong, 39, York.

The charge was brought after Routsong's car left the road between Biglerville and Arendtsville on the night of September 5 and smashed into a spring house and workshop of Martin T. Walter, one mile west of Biglerville.

Routsong suffered a fractured left collarbone in the crash and George Strausbaugh, 40, York, suffered a broken left knee cap and lacerations of the forehead. Damage totalled \$3,000.

Routsong told the jury this morning that he drank two glasses of beer at Ritter's Cafe in York about 8 o'clock on the evening of the accident. He said that Strausbaugh met him there and asked him to take him to a hunting camp in the South Mountains.

Said Road Was Slippery

Routsong claimed the road was slippery and that as he approached the Walter home, another car headed in the other direction, passed. He was "somewhat blinded" by the lights, Routsong said, "and I guess I got too close to the side of the road. The car skidded. I got it straightened out and then it skidded again. Then I heard a thump and the next thing I remember I was in the Warner Hospital waiting room and a doctor was saying, 'Which one is the worst hurt.'"

John Rudisill, R. D., and Mr. and Mrs. Richard Rudisill, Orrtanna R. D., who were in a car which stopped immediately after the accident, testified that Routsong did not appear to them to be under the influence of intoxicants. John Rudisill said he accompanied Routsong to the hospital and stayed with him for a half hour there, but that he did not seem at any time to be intoxicated.

Dr. Roy W. Gifford testified Routsong was, in his opinion, un-

Two Sisters-In-Law Are Given Jail Sentences On Saturday For Robbing County Man Of \$222

Two sisters-in-law, Mrs. Viola Virginia (Cole) Darnell, Abbotstown R. 1, and Mrs. Madeline (Stevens) Cole, New Oxford R. 1, were sentenced to from six to 12 months in the county jail by the Adams County Court Saturday.

The two were also ordered to pay the costs and were told that no parole will be considered until they return the \$222 they took from William Laughman, Abbotstown, and pay the costs. The two had pleaded guilty to a charge of robbery and robbery with accomplice in connection with the taking of the money from the elderly man while driving him from Hanover to his home in Abbotstown.

Sent To Workhouse

James "Jim" Wills, Emmitsburg R. 1, charged with burglary, robbery with weapons and burglary, was sentenced to from nine to 18 months in the Allegheny County Workhouse. Wills, charged with several other men in connection with an attempted robbery at Iron Springs, was not sentenced at the times the others were sent to jail because Wills at that time was serving a sentence in another state.

Elmer E. Pauley, Littlestown R. 2, was sentenced to from nine to 18 months in the Allegheny County Workhouse, ordered to pay the costs and make restitution on charges of assault with intent to rob and robbery. He was told that no parole will be granted until both costs are paid and restitution made.

Admits Taking Money

Pauley admitted in court that he took an amount of money from William Harry Small, 68, Hanover. He claimed at his trial last week that he had removed the money from Small's pocket while Small's attention was attracted by Bernard E. Eckenrode, in whose car the robbery occurred. Eckenrode, also charged with assault with intent to rob and robbery, was acquitted of the charge by a jury last week. Pauley claimed Eckenrode gave him the "signal" to rob Small.

Raymond Rosenberry, 154 Breckenridge St., charged with driving his car after suspension of his operator's license, was given a suspended sentence on condition that he pay \$100 for the use of the county and the costs in the case.

John R. Bowers, R. 1, charged with operating after suspension, was given a suspended sentence on condition he pay \$150 for the use of the county and costs.

Marcellus James Myers, Altoona, charged with driving while under the influence of intoxicants, was sentenced to 30 days in jail and ordered to pay a fine of \$50 and the costs.

George E. Taylor, Westport Hollow, Mass., also charged with driving while under the influence of intoxicants, was sent to jail for 30 days and ordered to pay \$50 for the use of the county and the costs.

Another man charged with driving while under the influence, Merle E. Jamison, Fayetteville, was given a similar sentence, 30 days in jail, and ordered to pay \$50 for the use of the county and the costs.

Others Sentenced

Gene O. Rider, alias Gene Riley, Littlestown R. 2, charged with a violation of the Liquor Control Board act by misrepresenting his age to obtain a drink, was ordered to pay \$100 for the use of the county and the costs, or in default of the fine, to spend 30 days in jail.

Leo R. Barrett, New Oxford R. 1, charged with driving while under the influence, was sentenced to 30 days in jail and ordered to pay \$50 for the use of the county and the costs.

A 30-day jail sentence was given Arthur D. Keefer, rear 166 York St., on a charge of hit-and-run. He was also ordered to pay the costs.

John F. Lamont, R. 1, charged with driving while under the influence of intoxicants, was sentenced to 30 days in jail, starting October 24, and ordered to pay a \$50 fine and the costs.

60 Days To Year In Jail

Guy B. Weaver, R. 5, charged with driving while under the influence, was sentenced to 30 days in jail and ordered to pay \$50 for the use of the county and the costs.

Kermit C. Shultz, 46 W. Middle St., facing charges of contributing to the delinquency of minor and a morals count, was sentenced to from 60 days to one year in jail and ordered to pay the costs.

A jury this afternoon was deliberating its verdict on the charge of driving while under the influence of intoxicants against John J. Routsong, 39, York.

The charge was brought after Routsong's car left the road between Biglerville and Arendtsville on the night of September 5 and smashed into a spring house and workshop of Martin T. Walter, one mile west of Biglerville.

November Can't Makeup Its Mind

November just can't make up its mind which period of the year it prefers.

The month started off cool on the 1st and 2nd, turned to Indian Summer with readings in the 70s on the 3rd and 4th. Decided it was a winter month by dropping four inches of snow on the 7th and then, early today, after having gone back to Indian Summer temperatures decided it was a summer month and produced a thunder storm about 1 o'clock this morning.

Russia Is Accepted At Peace Table As Red, Not A Neutral

PANMUNJOM (AP)—Allied negotiators today approved Russia as a member of the Korean peace conference but as a "full participant" on the Communist side rather than a neutral.

U.S. Ambassador Arthur Dean again proposed that Russia attend the meeting as a belligerent after urging the Communists to explain their plan for neutrals to attend the conference—which he termed a "pig in a bag."

"You want me to buy it without being able to examine it," Dean told the Reds in a subcommittee meeting on the composition and site of a Korean peace conference. The Allied-Red preliminary talks are in their fifth week.

Russian participation on the Communist side was approved by the U.N. Aug. 28, when it adopted its plan for the conference — a meeting of the two warring sides only.

"Still Optimistic"

The Reds have plumped for a round-table conference, with non-belligerents attending.

Dean, who represents the United Nations which fought in Korea, told newsmen after Monday's meeting he was "still optimistic" although he felt the talks were moving at a "snail's pace."

Two Sisters-In-Law Are Given Jail Sentences On Saturday For Robbing County Man Of \$222

Two sisters-in-law, Mrs. Viola Virginia (Cole) Darnell, Abbotstown R. 1, and Mrs. Madeline (Stevens) Cole, New Oxford R. 1, were sentenced to from six to 12 months in the county jail by the Adams County Court Saturday.

The two were also ordered to pay the costs and were told that no parole will be considered until they return the \$222 they took from William Laughman, Abbotstown, and pay the costs. The two had pleaded guilty to a charge of robbery and robbery with accomplice in connection with the taking of the money from the elderly man while driving him from Hanover to his home in Abbotstown.

Sent To Workhouse

James "Jim" Wills, Emmitsburg R. 1, charged with burglary, robbery with weapons and burglary, was sentenced to from nine to 18 months in the Allegheny County Workhouse. Wills, charged with several other men in connection with an attempted robbery at Iron Springs, was not sentenced at the times the others were sent to jail because Wills at that time was serving a sentence in another state.

Elmer E. Pauley, Littlestown R. 2, was sentenced to from nine to 18 months in the Allegheny County Workhouse, ordered to pay the costs and make restitution on charges of assault with intent to rob and robbery. He was told that no parole will be granted until both costs are paid and restitution made.

Admits Taking Money

Pauley admitted in court that he took an amount of money from William Harry Small, 68, Hanover. He claimed at his trial last week that he had removed the money from Small's pocket while Small's attention was attracted by Bernard E. Eckenrode, in whose car the robbery occurred. Eckenrode, also charged with assault with intent to rob and robbery, was acquitted of the charge by a jury last week. Pauley claimed Eckenrode gave him the "signal" to rob Small.

Raymond Rosenberry, 154 Breckenridge St., charged with driving his car after suspension of his operator's license, was given a suspended sentence on condition that he pay \$100 for the use of the county and the costs in the case.

John R. Bowers, R. 1, charged with operating after suspension, was given a suspended sentence on condition he pay \$150 for the use of the county and costs.

Marcellus James Myers, Altoona, charged with driving while under the influence of intoxicants, was sentenced to 30 days in jail and ordered to pay a fine of \$50 and the costs.

George E. Taylor, Westport Hollow, Mass., also charged with driving while under the influence of intoxicants, was sent to jail for 30 days and ordered to pay \$50 for the use of the county and the costs.

Another man charged with driving while under the influence, Merle E. Jamison, Fayetteville, was given a similar sentence, 30 days in jail, and ordered to pay \$50 for the use of the county and the costs.

Others Sentenced

Gene O. Rider, alias Gene Riley, Littlestown R. 2, charged with a violation of the Liquor Control Board act by misrepresenting his age to obtain a drink, was ordered to pay \$100 for the use of the county and the costs, or in default of the fine, to spend 30 days in jail.

Leo R. Barrett, New Oxford R. 1, charged with driving while under the influence, was sentenced to 30 days in jail and ordered to pay \$50 for the use of the county and the costs.

A 30-day jail sentence was given Arthur D. Keefer, rear 166 York St., on a charge of hit-and-run. He was also ordered to pay the costs.

John F. Lamont, R. 1, charged with driving while under the influence of intoxicants, was sentenced to 30 days in jail, starting October 24, and ordered to pay a \$50 fine and the costs.

60 Days To Year In Jail

Guy B. Weaver, R. 5, charged with driving while under the influence, was sentenced to 30 days in jail and ordered to pay \$50 for the use of the county and the costs.

Kermit C. Shultz, 46 W. Middle St., facing charges of contributing to the delinquency of minor and a morals count, was sentenced to from 60 days to one year in jail and ordered to pay the costs.

TITO CERTAIN VOTE WINNER IN YUGOSLAVIA

BELGRADE, Yugoslavia (AP)—Officials today tallied the heavy vote in Yugoslavia's countrywide elections, but final returns will not be announced until Wednesday. President Tito's Communist regime was a certain winner.

Tito's "Socialist Alliance of the Working People of Yugoslavia" faced no opposition parties in yesterday's balloting. Of the 352 seats in the new Parliament's Federal Council, less than 20 were contested by opposing members of the alliance.

Strange Election
Under a new election system this year, the nation's 10 million voters had a choice between voting for the alliance's candidates or voting for no candidate to signify disapproval of the government. The ballots were marked in secret.

The government, seeking approval of its anti-Soviet course and strong stand against Italian claims to dispute Trieste, confidently predicted before the polls opened that less than 5 per cent of the voters would register opposition. Semi-official sources said more than 80 per cent of the eligible voters in Belgrade had gone to the polls by 2 p.m., five hours before they closed. In other areas the percentage of early voters was even higher.

FAVOR CLOSING SOME OFFICES

WASHINGTON (AP)—House tax fraud investigators, tacitly admitting they expect political opposition, have recommended eliminating some of the 64 federal district tax collection offices.

The House Ways and Means subcommittee, in a third of a series of reports yesterday, said the recent reorganization of the Internal Revenue Service was "a major accomplishment."

But it said the plan, submitted by then President Truman in 1951 when tax scandals shook the bureau, was "evidently drafted in haste." As a result there were imperfections, it said, adding: "There is little need for 64 such offices."

The reorganization, approved in 1952, decentralized authority, abolished the politically appointed offices of revenue collector and created nonpolitical offices of district collector under 17 regional administrators—later reduced to nine in the Eisenhower administration.

Congressional approval came after many members of Congress raised objections to any step which would deprive them of a local revenue headquarters. There is at least one district collection office in each state, with some states having several.

"SWEET DREAM"

Last night I had a vision . . . of things I hoped would come . . . I saw a place where people smiled . . . not one of them was glum . . . I then had apparitions of . . . a land where dreams came true . . . a spot that fostered brotherhood . . . kind hopes and skies of blue . . . my gay perception made me wish . . . to dwell in such a place . . . where peace was of a lasting kind . . . and love and trust embrace . . . for I was filled with thrills divine . . . by my sweet dream's bouquet . . . a wonderful Utopia . . . where everyone was gay . . . too soon I know my dream will end . . . and once again I'll find . . . that I will face reality . . . and start the same old grind . . . but I try as best I can . . . to make this life worthwhile . . . and even if I can't do much . . . at least I'll try to smile.

Burned Out Paper Moves Back Home

MARTINSBURG, W. Va. (AP)—The Martinsburg Journal, with its record of unbroken publication of a 45-year period intact, was moving back home today.

Editor Gilbert McKown said the

purchase of a couple of typesetting machines makes it possible for the newspaper to get back into operation on its home ground.

The Journal was burned out of its plant last Thursday by a \$100,000 fire. It continued publishing through the cooperation of the Jefferson Republican at Ransom,

W. Va., and the Herald-Mail Publishing Co. at Hagerstown, Md.

THE Camera COLUMN

By Dave Garfinkle

Good portraits in color, that may be reproduced as color prints or viewed life-size on a projection screen, are a real challenge. Yet such portraits are almost as simple to make as black-and-white ones. You'll note we said "almost as simple."

Indoor portraiture in color does have problems. First, color film is much slower than black-and-white and more exposure is needed. This is achieved by longer exposures or by more light. Secondly, you may need a correction filter with your film. Filter requirements for each type of light are listed on the film data sheet. Shots without the proper correction filter can be too red or too blue. These filters cost about the same as a roll of color film . . . and they can be used over and over.

Finally, when shooting color have your subject relatively flat lighted. While shadow areas in black-and-white portraits often add pictorial value, shadow areas in color prints will be either black or badly off color. And seat your subject rather close to a light-colored background, or the background area will fall away into colorless murkiness.

And remember, the right equipment means better color prints . . . and better shooting generally. And we have that equipment, from a fine Kodak Ansco or other camera to that filter or exposure meter, at DAVE'S PHOTO SUPPLY, 52 Chambersburg Street, Gettysburg. Phone 83-W.

Today's Talk

By GEORGE MATTHEW ADAMS

MUSICAL HUMILITY
One of the most amazing figures of our time is that of Toscanini, now in his 87th year. Not only is he one of the greatest conductors of all time, but he is one of the most modest. Like all great men he is wrapped up in his work. He has no time in which to think upon his greatness.

I once sat within a few feet of this conductor, where I could watch every movement that he made — those hands, that facial expression, that seemingly frail figure, it was all melded into every sound, that the musical composition inspired. He seemed to me to be a man lost out of the world but recreated in the soul of art itself.

I love music but I know next to nothing about it, so I can not write understandingly of Toscanini, but the greatness of the man himself is so evident that I can appreciate why it is that he is so greatly beloved! I like the statement by one who once played in his great orchestra who said that he had "musical humility." This is a quality that belongs to all great men and women — a personal humility.

The man, Toscanini himself, as a physical specimen, is remarkable. A writer has described the Maestro as "one of the wonders of our time," and I am sure no one could dispute that fact. There is a burst of youth about him, and a spiritual grandeur. He will live as long as there is music in the world.

What a wonderful thing it is to live in an age with such men as Toscanini. There is greater hope, confidence and assurance for each one of us. Their silent force gives to us a new joy and courage. All life about such people is transferred to us as a free gift. As John Drinkwater wrote in his play "Abraham Lincoln," through the two chroniclers: "When the high heart we magnify, and the sure vision celebrate, and worship greatness passing by, ourselves are great."

Tomorrow Mr. Adams will talk on the subject: "Lovely Loitering." Protected, 1953, George Matthew Adams Service.

EXPERIMENT
"That didn't work," the dreamer said.
"Another failure. That is true. But I would rather say instead. This lesson learned: What not to do."

"An error? With you I'll agree. But I am wiser than before. To stop with that would failure be."

Tomorrow I will try once more.
"That method failed, as well I know. As others have in days gone by. But 'til I can no further go, I will not say that failed have I."

"There is a right way, hidden still. I'll err again, beyond a doubt, But work and search for it I will. With faith that I can find it out."

EXPECT INDIAN TO ASK U. N. FOR HELP WITH POW

By A. I. GOLDBERG

UNITED NATIONS, N. Y. (AP)—A diplomatic informant in the U.N. disclosed today that Lt. Gen. K. S. Thimayya is preparing to ask the U.N. General Assembly to step into the Korean prisoner-repatriation stalemate.

The source said that the Indian chief of the Neutral Nations Repatriation Commission in Korea has completed a lengthy report, giving all sides of the repatriation deadlock. The report is expected here late this week.

One copy is going to Secretary General Dag Hammarskjöld. He will circulate it to all U. N. members, opening up the question for another heated debate.

Up To Assembly
The informant said it is understood Thimayya's report will make no judgment on the deadlock, which in its latest phase has halted prisoner explanations for a week. But he said it would put the whole question in the hands of the Assembly for decision.

The Communists failed to convince 97 per cent of the Chinese and North Korean prisoners they have interviewed that they should return to Red territory. They halted the explanations on a technicality.

About 20,000 of the 22,000 prisoners captured by the U.N. forces still held remain to be questioned.

Thimayya's report, it was said, will carry statements by the Polish and Czechoslovak representatives on the repatriation commission, who support the Communists; by the Swiss and Swedish delegates; and a review by Thimayya himself.

BIG TEN CALLED 12-HR. SESSION TO PICK WINNER

CHICAGO (AP)—Michigan State emerged yesterday from a flurry of weekend telephone calls, telegrams, secret meetings and repeated balloting as the Big Ten choice for the Rose Bowl.

The Spartan opponent in the annual Jan. 1 classic at Pasadena will be UCLA, the Pacific Coast Conference champion which will be formally appointed today.

Big Ten athletic directors chose Michigan State over Illinois, a team the Spartans tied for the conference championship at five victories and one loss each.

Commissioner Kenneth L. (Tug) Wilson took the first sounding of sentiment Saturday night by telephone and telegram. Several such ballots were deadlocked, five for Michigan State, five for Illinois.

Called Sunday Meeting
Despairing of reaching a decision by long distance, Wilson summoned the various chiefs to Chicago for a Sunday meeting, which lasted about 12 hours. Reporters were advised that it was going on but Wilson wouldn't tell them just where.

Finally, reportedly on the sixth ballot, one director previously favoring Illinois switched to Michigan State. The 5-3 vote was all that the Spartans needed.

Athletic directors from Illinois and Michigan State, by mutual consent, absented themselves from the Chicago meeting. Also absent—but accounted for—was Michigan's Fritz Crisler, who sat in by phone from Detroit. Crisler had intended to fly to the meeting but bad weather grounded his plane.

Michigan State, which accepted the nomination immediately, was overjoyed. Coach Biggie Munn, who in seven years had raised the East Lansing school to a premier position nationally, said it was "great . . . wonderful" and President John A. Hannah said he was "greatly pleased." The Spartan campus erupted in a huge celebration.

Illinois took the disappointment quietly. Athletic Director Doug Mills said he had no comment to make.

GREYHOUND UNAWARE OF BUS STRIKE

COLUMBUS, Ohio (AP)—Pennsylvania Greyhound Bus officials say they have had no notice of a strike which a union leader announced for Wednesday morning.

But William Arthur of Columbus, chairman of the union's executive council, said "they know all right."

Arthur announced yesterday some 2,000 drivers and maintenance terminal workers will strike throughout the system which operates in Indiana, Ohio, Pennsylvania and Washington, D. C.

The union leader said the executive council called the strike after union and company officials failed to agree in a two-day session with a federal conciliator last week.

Refuse Offers
He said the meeting ended with the company announcing refusal to accept any offers the conciliator might make.

According to Arthur, the union went to the meeting with demands "pared . . . to a minimum in an effort to secure a contract."

The company had offered a wage increase equivalent to eight cents hourly, with increases of four cents hourly each year for three years, Arthur said. He did not give an exact figure for the union demand but said it "wasn't a great deal more" than the company offer.

The company had previously reached agreement with the other 24 divisions in the Greyhound system.

Was Not Notified

In Cleveland, J. E. Donahue, Pennsylvania Greyhound vice president for traffic and sales, said he had received no word from the union.

Donahue said most effects of a strike would be felt by smaller cities. Other Greyhound lines operate between major cities served by Pennsylvania, he said, but by different routes.

RECEIVES AWARD TODAY

PHILADELPHIA (AP)—Gettysburg College scoring ace Joe Ujohai received the Maxwell Club's college-player-of-the-week football award at a luncheon here today.

The Phoenixville, Pa., senior scored 107 points to lead unofficially all state scorers as the Bullets had their best season in 63 years of football, winning eight and losing one—19-7 to a strong University of Delaware squad in the season opener.

Bullets Defeat Diplomats On Second Half Rally 40-21; Establish Best Local Record

Gettysburg College's powerhouse football team closed the books on the most successful season in Bullet history here Saturday afternoon by jolting an inspired Franklin and Marshall outfit 40-21 before approximately 3,500 fans who braved rain and fog to witness the 56th meeting between the schools.

The victory was the eight straight for the Bullets to give them an 8-1 record, best all-time mark ever made by an Orange and Blue squad. It also gives Gettysburg a 27-24 edge over the Diplomats in their long series, five games having ended in ties.

Saturday's game was a much closer affair than the final score indicates. Midway in the third period the Diplomats took to the air to score a pair of quick touchdowns to deadlock the count at 21-21 but the Bullets came right back for a score late in the quarter and added two more in the final period to wrap up the decision.

Gettysburg marched 44 yards for its opening touchdown in 5:43 minutes of the first period after taking over on the Diplomats 44 via a punt. Ernie Paliszewski raced 32 yards to put the ball on the visitors' 12 and on last down Frank Gagliardi, on a fake reverse, streaked over. Joe Ujohai, who accounted for 16 points during the afternoon to hike his season total to 107 points, booted the point.

Exactly 3:10 minutes later Gettysburg hit pay dirt again. Gagliardi, who gave another fine all-around performance, intercepted a pass by Martin on the F. and M. 44 to pave the way. Ujohai, Paliszewski and Bob Eppelman advanced the ball to the 30 before Gagliardi whipped a pass to Ron Jacobi who took the ball on the dead run at the goal line to tally. Adlain Ujohai converted.

Diplomats Intercept
A Bullet drive late in the second period was halted when Carl Drunkinsbrod intercepted a pass by Jim Soltesz on the F. and M. 15. A pass interference play put the ball on the 47. Tom Hendrix, passed to Henry Eberle, who tallied all of the Diplomats' scores on passes, to put the ball on the 30 and a roughing penalty against the Bullets moved the ball to the 15.

Another pass, Hendrix to Kenny Davis, was good for four yards before Hendrix heaved to Eberle for the TD. John Hepler converted on a placement. The score came with 53 seconds remaining in the half.

Forty seconds later Gettysburg scored. Paliszewski returned the kickoff to the Gettysburg 49 and then Gagliardi hit Ujohai for a 50-yard pass-scoring play and when the latter booted the point Gettysburg held a 21-7 lead at half time.

Visitors Passes Click
F. and M. quickly tied the score in the third period, marching 73 yards after the opening kickoff. A long pass, Johnston to Eberle, was good for 42 yards as the feature of the drive and then Ritter passed to Eberle from the 12-yard mark for the score. Hepler converted.

A short time later F. and M. took possession via a punt on Gettysburg's 44. Ritter whipped a 28-yard pass to Davis and then fired a 16-yarder to Eberle for the score after 6:20 minutes. Hepler booted the tying point as F. and M. fans went wild.

The Bullets marched 59 yards for the tie-breaking score five minutes later. Gagliardi passed to Walt Hemberger for a first down on the 24. Another pass, intended for Hemberger, was allowed on interference on the 9. Gagliardi fired to Jacobi for 8 yards and then Gagliardi went over on a quarterback sneak. Ujohai's try for the point was nullified on a wild pass from center.

Ujohai Ends Scoring
Midway in the final period Fred Alleva intercepted a pass by Ritter on the F. and M. 35 to set the stage for the Bullets' fifth score. Soltesz passed to Alleva for a first down on the six from where Ujohai went over on the next play. Ujohai's kick for the point was wide.

Minutes later Dick Hammett, end, pounced on a Diplomat fumble on the visitors' 28. The payoff came on a 13-yard scamper around end by Paliszewski. Ujohai converted to end the scoring.

Admit Allentown To Eastern League

NEW YORK (AP)—Allentown, Pa., has been admitted to the Class A Eastern Baseball League for the 1954 season.

The directors met here Saturday to draw up plans for the coming season. They left hanging a decision on the future of Scranton, Pa., in the loop, giving the eastern Pennsylvania city until Dec. 15 to decide whether it will operate next campaign.

In other action, President Tommy Richardson was re-elected to a three-year term with an unspecified increase in salary. Richardson has headed the Class A league for 16 years.

47 COLLEGE GRID ELEVEN CLOSE SEASON

By THE ASSOCIATED PRESS

The 1953 collegiate football season has come to a close for 47 of the state's 51 football colleges and Shippensburg, Westminster, Juniata and West Chester have packed away top honors.

All four schools completed their 1953 seasons a week ago—the first three schools going unbeaten. Once-beaten West Chester, however, had to await the outcome of the Bloomsburg-Lock Haven game before it was officially declared the state teachers college champion for the second straight year.

West Chester and Shippensburg went into the final Saturday deadlocked for the teachers' honors. And, because of a complicated evaluating system used in determining the conference winner, West Chester's title hopes rested on Bloomsburg beating Lock Haven. That's exactly what happened. Bloomsburg handing Lock Haven a 46-13 trouncing.

4 Great Victories
In traditional games, Penn State, Gettysburg, Lafayette and Swarthmore closed out their seasons on a triumphant note.

Rip Engle's Nittany Lions upset Lowell (Red) Dawson's Pitt Panthers, 17-0. Tony Rados played a brilliant game in his farewell appearance with State. The victory gave Engle a 6-3 log for the season. The defeat was Pitt's fifth against three wins and a tie. Dawson's first losing season as a college coach.

State scoring leader Joe Ujohai added two touchdowns and four extra points to his points list to lead Gettysburg to a 40-21 victory over Franklin Marshall. It was Gettysburg's eighth win against one defeat—the Bullets' finest season in 63 years of football. Ujohai's 16 markers brought his season total to 107 points.

Lafayette Beats Lehigh
In the oldest unbroken series in college football anywhere, Lafayette relied on the passing arm of Bryan Satterlee for a 33-13 victory over Lehigh in the 89th meeting between the two schools. Satterlee passed for two scores and sprinted 87 yards for another.

Swarthmore outfoiled Haverford in the 44th meeting between the suburban Philadelphia schools for a 20-7 victory.

Villanova salvaged a memorable triumph out of its disastrous 1953 season with a 14-13 upset of Syracuse. The Wildcats jumped off to a quick 14-0 lead on an 88-yard punt return by Ralph Cecere and an 11-yard sweep by Gene Filipki. Syracuse marched back for two scores but their place-kicking expert, Jim George, was sitting on the bench after the last score because of the substitution rule and the Orange missed the point.

Cats To Play Fordham
Villanova, with a record of 3-5, meets Fordham Saturday in its final game.

In other games over the final big weekend of college football, Albright upset Scranton, 19-0; Moravian topped Wilkes, 14-6; Delaware trounced Bucknell, 34-13; Kings shut out St. Francis, 21-0; Boston U. beat Temple, 21-0; and Dickinson edged Ursinus, 19-13.

Three schools close out their 1953 season Thanksgiving Day with Cornell meeting Penn in Philadelphia, Lincoln playing host to Howard and Scranton travelling to Hofstra's home grounds.

CLOSE RACE IN EAST PENN LOOP

SCRANTON, Pa. (AP)—Standings after 11 weeks of play show today that the East Penn schoolboy football conference race will go down to the wire again.

Divisional winners, who qualify for the league playoff Dec. 5, won last year by Old Forge, will be chosen in Thanksgiving Day games. The Southern Division race is deadlocked between Schuylkill Haven, and Pottsville, the 1951 division winner.

Northern group ratings again are topped by two Scranton schools but this week it's the reverse of last week with West Scranton 33 points ahead of Scranton Tech.

Tech was upset by Jessup while West did not play over the weekend. Thursday West meets lowly regarded Dunmore while Tech faces another city rival, Scranton Central in two traditional games.

Neither Schuylkill Haven nor Pottsville, with identical 6-0-1 league records and 616 points, play in the conference but the victor

Brothers Finish Two, Three In Race

NEW YORK (AP)—The Ashenfelter brothers, former Penn State track stars, finished two-three behind Gordon McKenzie in the Senior Metropolitan A. A. U. cross-country championship yesterday at Van Cortlandt Park.

Horace, the 1952 winner, was second, 100 yards behind the New York Pioneer Club runner. Horace's brother Bill finished 350 yards further back. Both the Ashenfelters are now running for the New York A. C.

McKenzie's time over the six-mile course was 30:13.1. Horace finished in 30:32.5; Bill in 31:26.

Browns Beat Steelers 20-16; Are Now Within One Win To Take Fifth Championship

NEW YORK (AP)—Cleveland's unbeaten Browns, winner of nine

games, can clinch the Eastern Conference title Sunday for their fifth divisional championship in the National Football League but the Western Conference race could well go right down to the final day of the season on Dec. 13.

The Browns moved within one victory of the title yesterday by edging the Pittsburgh Steelers 20-16 and there's nothing in the books to indicate they won't chalk up No. 10 at the expense of the winless Chicago Cardinals Sunday.

Detroit's Lions still held to a half-game lead over the Los Angeles Rams in the Western division after beating the Chicago Bears 20-16. The Rams stayed within striking distance with a 21-13 win over the Baltimore Colts. And the San Francisco 49ers remained only a game off the lead after

downing the Green Bay Packers 37-7.

All three face what figures to be comparatively easy opposition this week. The Lions take on the Packers Thursday while the Rams meet the Chicago Bears and the 49ers tangle with the Colts at Baltimore.

Washington defeated the New York Giants 24-21 in the only game yesterday that had no bearing on the upper strata of the standings.

On Saturday night the high-scoring Philadelphia Eagles won their sixth straight to retain a mathematical chance of catching the Browns. They defeated the Cardinals 38-0.

The Browns had a tussle with the Steelers but, as usual, combined the pitching arm of Otto Graham and Lou Groza's toe for victory.

Total working horsepower for many new cars where total performance is now kept "under wraps" by retarding the spark to avoid knocking. These cars may now be set to fully efficient timing, giving more horsepower, better gasoline mileage, too!

Total working horsepower wherever "cold engine stalling" is a critical problem on cool, moist days. Its special additive protects against stalling caused by carburetor icing, permits maximum possible power-flow from the time you start your engine.

Total working horsepower can benefit present users of "regular" gasoline who drive mostly around town. By simply switching to new "Total Power" Esso Extra, they can get better mileage this winter... better all-around performance, too.

Michigan State Will Battle UCLA In Rose Bowl Contest; Oklahoma To Meet Maryland

NEW YORK (AP)—The fog—not the same one that has been plaguing the East for the past week—was beginning to lift ever so slightly today on the confused bowl picture. The Rose Bowl and Orange Bowl promoters were just about out of it.

But still fogbound were the Cotton Bowl and Sugar Bowl chieftains. They have plenty of teams from which to make their selections, but they didn't have the faintest notion of how to go about trimming the list of eligibles.

And while the promoters were scratching their heads, the coaches and players had plenty to mull over in the wake of Notre Dame's 14-14 tie with Iowa. There was no question that the Hawkeyes knocked the cloak of invincibility off the Irish.

But what of Notre Dame's tactics—or to use a better word, dramatics—that all but saved Frank Leahy's boys from defeat. First it was Frank Varichone who caused an "injured player" time out with one second to go in the first half and the Irish behind. They promptly tied it. Then Art Hunter and Don Penza did the same thing with six seconds in the game left and the Irish trailing. Again they tied it.

MSC In Rose Bowl
As for the bowls, the Rose will pit Michigan State against UCLA. The Bruins, champions of the Pacific Coast Conference, needed only the official ratification of the rest of the league to make it official. State was voted in last night at a Big Ten meeting. The Spartans wound up in a tie with Illinois for the league championship, each with a record of 5-1.

The Orange Bowl will send Oklahoma, the Big Seven winner, against Maryland, which finished its season Saturday with a 21-0 victory over Alabama.

Cotton Bowl officials are being forced to wait for the end of the Southwest Conference season to determine the host team. Right now Baylor, Rice and Texas are tied for the lead. Baylor and Rice go at each other Saturday, so one will be eliminated.

Favor Georgia Tech
Officials said they hoped to decide the visiting team within the next 48 hours. Georgia Tech has the inside track, although still up for consideration are Kentucky, West Virginia, Auburn, Alabama and Mississippi.

If Mississippi can get by Mississippi State, however, and wins the Southeastern Conference title, it probably will go to the Sugar Bowl against the second-place team in the Southwest Conference. If State wins, the Southeastern Conference champion would be decided by the Alabama-Auburn game Saturday. The Southeastern Conference victor usually plays in the Sugar Bowl.

As for the Notre Dame-Iowa State fracas, both incidents gave Ralph

NAVY'S GOAT IS KIDNAPED

ANNAPOLIS, Md. (AP)—Navy awaited a ransom note today, confident Army would return the Midshipman's kidnapped goat before the Army-Navy football game.

Billy XII, Navy's blue-gray mascot, was smuggled out of his shed in Thompson Stadium by unidentified parties during the early, fog-shrouded hours yesterday morning.

Last night, Naval Academy officials said they had been informed Billy had been unveiled at the evening meal formation at West Point.

About 4 a.m. yesterday an anonymous "female" called and asked if Billy was in his shed. A guard dispatched to check found the goat gone. He also found two empty chloroform cans.

A sharp finger of suspicion was pointed at the Army soccer team which left here at noon yesterday after beating the Midshipmen 2-1 Saturday.

Maryland Is Only Unbeaten Big Team

NEW YORK (AP)—Maryland alone represented the nation's major colleges on the list of 19 unbeaten, untied football teams today.

Notre Dame dropped out Saturday when it was tied 14-14 by Iowa. Louisiana Southern also dropped out of the select group with a 35-25 loss to unbeaten, untied Florida A&M.

Only three of the 19—Iowa Wesleyan, Prairie View and Florida A&M—have not completed their regular season schedules.

Quarterback Bill Brigman established a Georgia Tech record for passes thrown in a single game when he tossed 30 times against the Florida Gators in 1952.

In yesterday's laps, for the first perfect day since the grueling test began. To date seven persons—three drivers and four spectators—have been killed.

Scribes Pick All South Penn Teams

Selections for the 1953 South Penn All-Conference football teams were made at the regular fall meeting of the Southern Pennsylvania Sports Writers Association Sunday afternoon in the offices of The Gettysburg Times. The teams will be announced Thursday, December 3.

Edouard Grenier, Hanover, was chosen president to succeed Arthur Renfrew, Carlisle. Other new officers named were Vaden Richards, Chambersburg, vice president, and Don Bream, Gettysburg, secretary.

In addition to the above others attending the meeting were Jack Lefevre Hanover; Hayes Fenstermacher and Eugene DiMaggio, Hershey; William Kennedy, Shippenburg, and Joe Wachtman, Carlisle.

SCOFFS IDEA OF CONFESSING

TEHRAN, Iran (AP)—Ex-Premier Mohammed Mossadeq, facing an army court-martial on treason charges, laughed aside a prosecution suggestion Saturday that he confess alleged past misdeeds.

The suggestion was made by Chief Prosecutor Brig. Hossein Azemodah at the opening of the 12th session in the trial of the former dictator. He is accused of attempting to overthrow Shah Mohammed Reza Pahlavi, defying royal decrees and illegally dissolving the lower House of Parliament.

"I hope this man one day will rise and confess," Azemodah told the court. Mossadeq laughed scornfully and replied: "Oh, yes."

"If you stand up and confess to your past deeds, the first person to stand up and sacrifice himself for you will be me," the prosecutor declared.

Mossadeq's reply was an ironic "God help you."

Azemodah previously had asked the five-man military tribunal to send Mossadeq to the gallows.

"Reliable Iranian sources believe that if Mossadeq were condemned to death, the Shah would commute the sentence and exile him to some remote village."

Probers Want To Know How Much Information Truman Regime Had On Harry Dexter White, Red Spy

WASHINGTON (AP)—Senate investigators looked to the Justice Department today for answers on how much information the Truman Administration had linking Harry Dexter White's co-workers with Red espionage.

With no witnesses announced in advance, the Senate Internal Security Subcommittee called a public hearing to put into the record documentary evidence requested from Atty. Gen. Brownell.

It was Brownell who rekindled the Communists-in-government controversy. Brownell charged in a speech Nov. 6 that, despite FBI reports pointing to White as a spy, former President Truman promoted White in 1946 from assistant secretary of the treasury to U. S. director of the International Monetary fund.

Truman, in a nationwide radio-TV reply, accused Brownell of "cheap political trickery" and said he permitted the promotion of White, now dead, to keep him and others accused as spies under surveillance.

But FBI Chief J. Edgar Hoover, testifying before the Senate subcommittee, said he did not agree in advance to such an arrangement and that it hampered the FBI's watch on White. Last night, the subcommittee counsel, Robert Morris, said Hoover turned down one invitation to testify in the case but accepted a second.

Morris, interviewed on an NBC television program, said Hoover decided to break his self-imposed

expected to be ready today or tomorrow.

Yesterday subcommittee Chairman Jenner (R-Ill.) disclosed he has asked Secretary of State Dulles to forward to Canada an "authenticated copy of a signed statement" by Gouzenko in support of the renewed request.

In Ottawa it was learned this statement, which the Chicago Tribune published last Saturday, already is under study by Canadian authorities.

The Canadian government's position has been that Gouzenko has nothing more to tell. But in the statement Gouzenko, living in Canada under police protection, said he might be able to give useful advice to Jenner's group.

Jenner has called White's case "not necessarily the most important" of those being looked into by his subcommittee.

GOP CHAIRMAN SAYS PARTY GOT BIG LIFT FROM WHITE CASE

By JACK BELL
WASHINGTON (AP) — Republican National Chairman Leonard W. Hall said Saturday the Harry Dexter White case has given a "tremendous lift" to the GOP in advance of next year's congressional election campaigns.

But Democratic senators said they doubt any advantage the Republicans may have gained will be lasting. They predicted the administration's farm, tax and spending programs will be regarded by the voters as far more important.

Hall said in an interview he believes the charges of laxity toward Communists in government, made by Atty. Gen. Brownell against former President Truman, "have helped us."

On Offense Again
"The impression I have gained by talking to people all over the country is that this matter has given a tremendous lift to our organization," he said.

Although Hall didn't say so, he apparently holds the view that Brownell's sensational charges—that Truman promoted White de-

spite FBI reports of White's alleged espionage activities—put the Republicans back on the offensive after they had lost special congressional elections in Wisconsin and New Jersey.

Brownell's charges, made Nov. 6, precipitated an immediate storm of Republican and Democratic outcries, and today there were signs of international repercussions.

A State Department spokesman said Canadian Ambassador A.D.P. Heene called on Undersecretary W. Bedell Smith yesterday and "expressed surprise" at the public disclosure the FBI had information from Canadian government sources in 1946 about White.

Brownell made the disclosure Tuesday when, in testifying before the Senate Internal Security subcommittee, he stripped the secrecy label from an FBI letter to the White House in February 1946. This was about the time that White, now dead, was promoted from assistant secretary of the Treasury to U.S. representative on the International Monetary Fund.

The letter by FBI Director J. Edgar Hoover contained several references to information concerning White "which originated with sources high placed in the Canadian government."

Confer On Gouzenko
Canadian Prime Minister St. Laurent told the House of Commons in Ottawa on Friday that, to his knowledge, no Canadian government source ever communicated with the U.S. government about White. He said a full statement will be made later by Foreign Secretary Lester B. Pearson. In Niagara Falls, Ont., Friday night Pearson said he was returning to Ottawa after canceling weekend plans to attend the United Nations sessions in New York.

Pearson said his return is in con-

OUST STUDENT FROM SCHOOL

COLLEGE STATION, Tex. (AP)—Cadet corps members at Texas A & M College have forced a non-military student to leave the campus because he criticized student customs, the Junior Student reported.

John Clark, 20, of Odessa, Tex., said he was escorted out of town Thursday night by some 35 or 40 students who packed his belongings in his car and gave him money for gasoline.

The school authorities said they deplored the action and were investigating.

Clark said by telephone Friday night the students, whom he identified as "mostly seniors," told him they could not make him leave

school but "intimated I might get shoved around if I didn't."

Criticized Customs
He said they objected to opinions about A & M he expressed in a letter to the campus newspaper, The Battalion. The letter, he said, was critical of some cadet corps actions and some school customs.

He said he cited such things as freshmen having to wear lipstick before the football game with the University of Texas and the painting of signs on campus buildings.

The lipstick custom has been abolished, he said.

By telephone, Clark told a reporter that College President David H. Morgan and Dean of Men W. L. Penberty were "very nice." He said he talked to them by telephone after he arrived in Odessa.

"They're going to write officials at Oklahoma University and try to get me admitted next semester," he said.

HARRISBURG (AP)—The official count of the vote cast at the Nov. 3 election continued close today on a proposed amendment to the State Constitution permitting Allegheny County judges to preside in other courts of Allegheny County.

At the same time, the latest check of the official returns indicated apparent defeat of a proposed amendment that would allow special tax legislation for private forest reserves.

On the Allegheny Court amendment the "yes" vote was nearly 6,000 ahead, while the forest reserves tax amendment was losing by 22,000 votes.

So far, 62 of the commonwealth's 67 counties, representing 7,782 of the state's 8,532 precincts, have delivered official returns.

The voters defeated a proposed amendment to allow county treasurers to succeed themselves by almost 300,000 votes.

A fourth amendment permitting bedridden and handicapped veterans to cast their ballot without going to the polling place was adopted by a majority of almost 500,000.

The tabulation represented the official county by county election bureaus in all counties except But-

YANK IS HAPPY IN OLD HOME AT CRACKER'S NECK

By DON WHITEHEAD

CRACKER'S NECK, Va. (AP)—Cpl. Ed Dickenson was tired and happy today after a homecoming celebration that continued into the wee hours and swept away any doubts he might have had about how his people would welcome him.

There was a forgive-and-forget air around the little hillside cabins where his family and friends greeted him with a warm affection which bewildered even young Dickenson. He could only grin when asked how he felt about it.

He planned to sleep, eat the home-cooked dishes he likes best,

and map his future that has been fuzzy ever since he decided he preferred life in his homeland to life among the Communists.

Dickenson was one of 23 American soldiers who were listed as having refused repatriation in the exchange of prisoners in Korea. But then he left the other 22 and bolted to freedom a month ago, saying he hadn't acted sooner because of death threats.

Dickenson, 23, has said he would re-enlist in the Army after his present 30-day furlough. But last night he hinted he might stay in the hills he left three years ago to enter the Army. "I've got a lot of thinking to do about it," he said.

Dickenson ended his 10,000-mile journey from a Korean prison camp last night and walked straight into a rousing, almost hysterical welcome from brothers, sisters, in-laws and friends who had trudged up the hillside to the family home. Neighbors began gathering at the

house at 5 p.m. The crowd had grown to around 100 by the time he arrived five hours later. They were jammed into the four-room house so thickly it appeared the floors might collapse under the weight.

Perhaps the happiest two people in all the throng were the father and mother, Van Buren and Bessie Dickenson.

"I haven't been able to sleep or eat good for three years, worrying about that boy," Van Buren said. "But I feel fine now. I think this coming home has done me more good than a bushel of medicine."

Both decorative and practical, the front stoop provides protection for the front door—protection that is especially appreciated during stormy weather.

The spacious closet in the entry hall occupies the back wall. Open archways lead from the entry hall to the living room on the left, and the dining room on the right.

Looking out on the front stoop is a large window, flanked by casement windows which give both light

and decorative appeal to the dining room. There is ample space in this 12 foot square dining room for the average size dining room set; for ease in setting and cleaning, the table should be placed near the door in the right wall leading to the kitchen.

If you so desire, a china closet could easily be built into the right front corner of the dining room. In addition to the door to the kitchen there are doors leading from the dining room to the den and also to the hallway connecting bedrooms, bath and living room.

Measuring 12' x 11'6" in dimensions, the cross ventilated kitchen is completely modern both in planning and in equipment; it is designed to be a pleasant, well lighted room and is arranged to make kitchen tasks seem both easy and pleasant. Working counters, with overhead cabinets and underneath cupboards, line the left, front and right walls except for the double windows.

Stairs to the full cement cellar open off the hallway connecting the kitchen, laundry and utility room. Lighted and ventilated by one window, which looks out on the back terrace, the laundry is so placed that it will be especially handy for the lady-of-the-house when she's busy in either the kitchen or the laundry. and their pals because it is near the back door.

Large enough to hold a complete automatic home laundry, the utility room is 9'x7' in measurements. Doors lead from the utility room to both the front and back yards and also to the 20'x11' garage. Another door leads from the back terrace to the garage, which receives ample light and ventilation from the one window in its right wall. There is ample overhead storage space in this garage.

Largest of the rooms in "The Whittinsville," the 20'x13' living room, is also the most attractive. An abundance of windows guarantees that the room will be well lighted and ventilated and shares top decorative honors with the large fireplace centered in the left wall. The three windowed bay in the front wall greatly enhances the appearance of the room as well as the overall exterior appearance of "The Whittinsville."

The door in the back living room wall opens on a hallway leading to the two bedrooms. Measuring 13'x12', the master bedroom occupies the left back section of the house. Double windows in the back wall and a

single window in the left wall provide good light and cross ventilation.

An extra large closet in the right wall of the master bedroom provides ample storage facilities for the two occupants of the room. The closet, opening on the connecting hallway just beside the door to the bedroom, can be used for any storage purpose you want.

Thoroughly modern, the bath contains room for a tub and built-in shower. The room is well lighted and ventilated by the one window in its back wall. Opening on the connecting hallway, to the right of the door to the bathroom, the spacious linen closet can hold a good supply of fresh bed linen and towels; it is placed conveniently near to the bedrooms and the bathroom.

Three windows in the back wall provide plenty of good light and ventilation for the 12 foot square bedroom. This room also has a large closet, in the left wall. The long unbroken right wall could accommodate bunk beds, if the room is to be shared and you don't care for bunk beds.

Reached directly from the dining room, by a door in its back wall, the den is 11'6"x9' and can serve as a guest or regular bedroom with equal ease. Cross ventilation and good lighting are obtained from one window in the back wall and another window in the right wall.

Complete plans and specifications for this house and all other "Home of the Week" designs are available at moderate cost.

For plan prices, write to the Home Building Editor, The Gettysburg Times, Dept. 18, and enclose a self-addressed, 3c stamped envelope. Allow 7 to 10 days for a reply.

College Scientists Tell How To Grow Bulbs Indoors

Suggestions for Fall Use of Cold Frames.

Amateur gardeners who have cold frames, and would like to pursue their hobby in the winter, will find daffodils and tulips easy to flower in their homes, if they follow the methods prescribed by research workers in our largest universities.

Simple but precise instructions have been compiled, as a guide to commercial flower growers. Spring flowering bulbs are the easiest of flowers to "force" into bloom indoors for several reasons. One is that they do not require as much light as most flowers, and will get enough in a sunny window, or even without direct sunlight, if the day light is supplemented by light from lamps.

The first step is to prepare a good potting soil, and obtain flower pots, which should be at least 6 inches in diameter if several bulbs are to be grown in each. Then buy your bulbs, of good "forcing" varieties. Favorite tulip varieties with florists are Darwin and Cottage types, such as Red Pitt, Bartington, a red; Golden Harvest, a large yellow; Albino, white; and William Copeland, lavender. Large trumpet daffodils are the favorites, but all types can be grown indoors.

As soon as the bulbs are obtained they should be planted, as they must spend from six to 10 weeks in a temperature between 40 and 50 degrees. Research men say exactly 48 degrees is best. But if you cannot provide exactly this temperature indoors, place the pots in your cold frame, first soaking

the soil there with cold water. Sink the pots in the soil, cover them with 3 inches of sand, and shade the frame to prevent sunshine raising the soil temperature. The bulbs will develop root growth under these conditions, and should be kept there until top shoots are at least two to three inches high.

Before freezing weather begins, cover the bulbs with a heavy layer of oak leaves or straw. The soil in the pots should not be allowed to dry out, but good and quick drainage is essential. Bulbs can be kept in this storage after the top growth has begun, and brought into the house at intervals, in order to provide a longer season of bloom.

When brought into the house the bulbs should be placed where they will have light of 2,000 foot candles, during the brightest time of a sunny day. This light will give a reading of 500 on a Weston photographic meter, when reflected from two thicknesses of white paper. If there is not enough sun, use either tungsten or fluorescent lamps, to provide additional light needed.

Temperature should not exceed 70 degrees and should average 63 degrees by day, and 55 to 60 at night. When first brought in, it is best to keep them for a week or more in a light room with a 55 degree maximum temperature until flower stems develop. Watering should be carefully become dry at any stage of growth.

Do not try to grow tulips and daffodils indoors unless they can be kept cool day and night, because

the closer they are grown to 60 degrees the better will be their flowers, and 70 degrees should never be exceeded. A sun-parlor or enclosed porch can usually be kept cool; and temperatures near a window in the living room may be low enough.

It usually takes a month or more for flowers to develop fully after the bulbs have been brought into the house. Any attempt to speed flowering by giving higher temperatures may result in disappointment.

make Delicious Spice Cake with Pensupreme sour CREAM...

When there's a snap in the air, it's the season for spice cake. But old-fashioned spice cake, with the nutmeg-and-cinnamon goodness you remember from your childhood, is hard to find these days. The only way to make sure that spice cake is just right is to make it yourself, using Pensupreme's delicious Sour Cream.

...here's how:

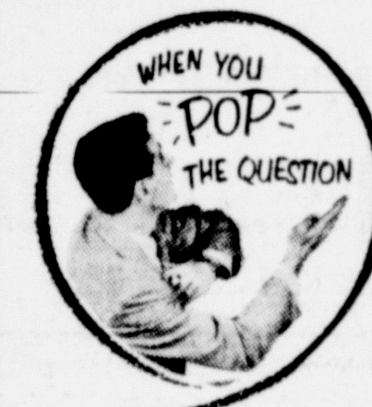

SPICE CAKE

In a mixing bowl, cream 1/2 cup of Ayrshire butter and 1 cup of sugar. Next add 2 cups of flour, 1 teaspoon soda, 1/4 teaspoon salt, 1 egg, and a cup of Pensupreme Sour Cream. Next add 3/4 teaspoon cloves, 3/4 teaspoon nutmeg, 1 1/2 teaspoons cinnamon, and 1 teaspoon vanilla. Beat this mixture for two minutes, and pour it into a greased shallow pan. Bake it for 25 minutes in a moderate oven. When you open the oven door, you'll have spice cake Grandma would be proud of! Try it and see.

STICKY FINGER ART PAYS OFF

GARDENA, Calif. (AP) — Lots of people spend money on chewing

gum, but Mrs. Faye Garriott makes money out of hers. She designs pictures from chewing gum and sells them for from \$15 to \$55 apiece. An oriental fisherman, a Japanese girl in a colorful kimono, a male quartet bursting into song are portrayed by molding strands of

soft gum on canvas mats, then coloring the design with water colors or oil paints. Mrs. Garriott's hobby started 25 years ago, when she began to use gum to patch furniture and picture frames. Where areas had been chipped out she would mold in the gum, then paint over it and

the mar would no longer be noticeable. After awhile she began to experiment with pictures and worked out the following technique: On a canvas or straw mat she pencils a drawing. Then she melts several packages of gum in warm water, kneads the mass

to the consistency of taffy and rolls it into long strands. She lays the strands over the lines of her drawing. Next, she takes an orangewood stick and molds the gum strands into the shapes she desires, achieving a bas relief effect. Small details, like eyebrows or

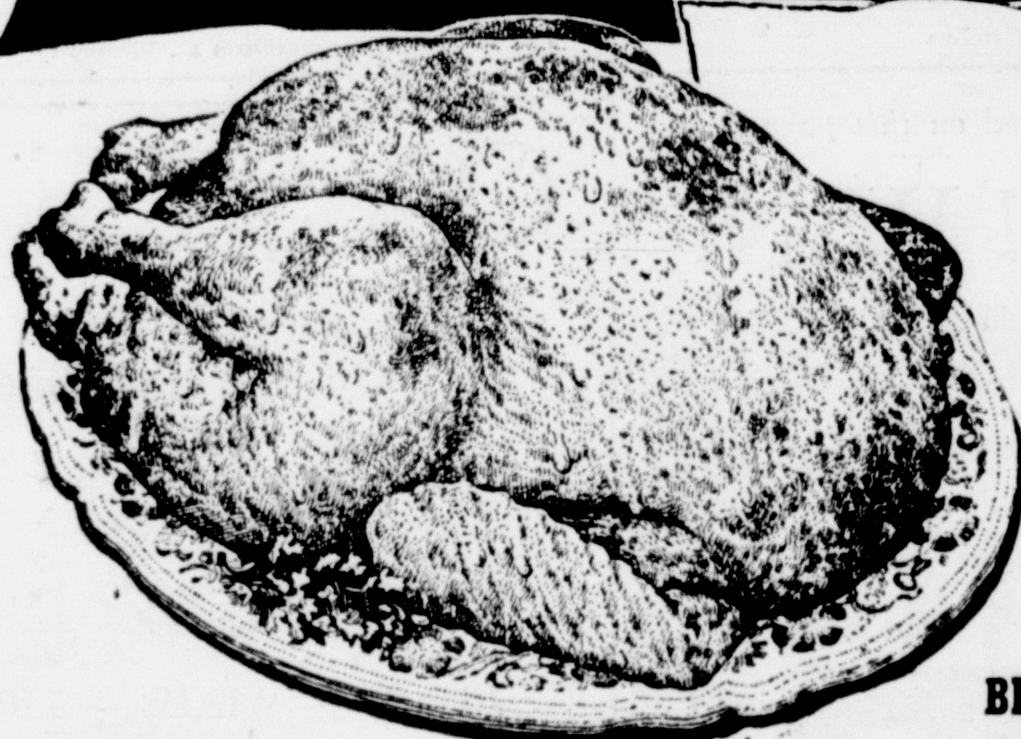

fingers, are fashioned separately and pushed into place. After the bas relief is hard and firm, Mrs. Garriott paints it, frames it, and hangs it like a picture. She used 150 sticks of gum for her picture "Sweet Adeline" the (male quartet) and 70 sticks for

each of her orientals. She can do a small picture in one evening. Larger ones like the quartet require a week's work. Mrs. Garriott says she has a backlog of requests for pictures from all over the country and is considering giving full time to her gum pictures.

Give chocolate pudding a snow! topping! Sift a little confectioners' sugar over its surface. Small fry especially, appreciate this garnish. If you want to top vanilla pudding this way, mix a little nutmeg and cinnamon — just a dash — with the sugar.

SENATOR SEES SOVIET THREAT IN C. AMERICA

By JACK BELL

WASHINGTON (AP)—Sen. Hickenlooper (R-Iowa) said today there is a "very serious" Communist threat in Central America—a problem he said demands greater attention by the United States.

Hickenlooper, just back from an inspection tour of U. S. information operations in a dozen Latin American countries, said he found agitation about "Yankee imperialism."

"There is a basic respect for us in these countries which we can do a lot about developing," the Iowa senator said in an interview. "I am firmly convinced as the result of my trip that we should devote much more attention to bettering our relationships with Latin America."

Situation Needs Attention

"We have been giving only minimum attention to these countries in dispensing technical advice. I think we have spent a disproportionate share of funds for such services elsewhere in the world and we should readjust that situation."

Hickenlooper's remarks followed by two days publication of Dr. Milton S. Eisenhower's report to the President, his brother, on a two-month study tour of 10 South American countries last summer.

Dr. Eisenhower, president of Pennsylvania State University, recommended greater economic cooperation between the United States and its southern neighbors.

"Working together," his 13,000-word report said, "the nations of this hemisphere can, if history should so decree, stand firmly against any enemy in war, and prosper mightily together in times of peace."

"Serious Threat"

Hickenlooper said he regards Communist encroachments in Guatemala as posing a "very serious threat." But he said he believes that progress is being made in convincing the surrounding area that the United States does not wish to interfere in their free choice of government.

Hickenlooper said he found the U. S. information program in better shape than it has been in the past," commenting: "Although the personnel has been reduced, the level of ability of that personnel has gone up."

Sen. Smathers (D-Fla.), meanwhile, called for a State Department appraisal of Russian trade activities in Latin America.

Smathers said in a statement he believes Congress should adopt a more realistic policy toward trade with these countries, adding:

"While we are devoting so much attention to Europe and Asia, the Soviets seem to be slipping inside our guard and hitting us where it will hurt much worse."

PLAN TO TEST TURNPIKE RULE

CARLISLE, Pa. (AP)—The right of local governments to tax restaurants and automobile service stations on the right-of-way of the Pennsylvania Turnpike may be tested in the courts.

West Pennsboro Township and school officials have asked Cumberland County commissioners to look into the possibility of imposing local taxes on the concessions, now listed as tax exempt.

William Mark, solicitor for the county commissioners, said a recent decision in the Berks County Court may open the way to impose local taxes on interests holding turnpike concessions.

Marks said the Berks decision overruled a claim by a steel company that it was exempt from local taxes because it leased the property in question from the U. S. Navy.

ALGER HISS' PAROLE COMES UP THIS WEEK

WASHINGTON (AP)—Alger Hiss' application for parole from Lewisburg (Pa.) Federal Prison comes up before the U. S. Parole Board again this week, possibly today or tomorrow.

Under board procedure, the application—turned down when first considered last November—automatically reappears on the agenda for a further look one year later.

Hiss, 48, onetime State Department official, has now served two years and eight months of the five-year sentence given him on a perjury conviction in early 1950. The conviction was based on his denials to a grand jury that he had ever turned over government secrets to Whittaker Chambers, admitted Soviet espionage agent, as Chambers charged.

Denied First Appeal

After the Supreme Court affirmed the conviction, Hiss started his sentence in March, 1951. He became eligible for parole Nov. 21, 1952. The Parole Board announced on Nov. 24, 1952, that its members, "after a careful consideration of the official record, unanimously voted to deny the application."

The then five-man board has since been reorganized and enlarged to a seven-member panel, with numerous new faces.

In the absence of favorable parole action, Hiss would leave prison in November, 1954, if he earns full credits of time off for good behavior. In prison, he works in Lewisburg's supply department.

FIRE DAMAGES SYNAGOGUE

BERWICK, Pa. (AP)—Fire today caused extensive damage to the Oheve Shalom Synagogue. Firemen wearing smoke masks were able to remove the sacred scrolls from the altar after several futile attempts by Jewish members of the community who were driven back by the flames.

An official of the congregation estimated damage at \$30,000, of which only about a third, he said, was covered by insurance.

The fire, which began in a rear wall, was believed to have been caused by faulty wiring, firemen said.

The building had been the scene of an unusual religious observance early Sunday when some 250 members of a local Elks Lodge, representing many faiths, attended services conducted by a visiting rabbi. The Berwick Elks attend services once a month in a body at a different church in the community.

QUEEN STARTS TOUR TONIGHT

LONDON (AP)—Flying weather fit for a queen was forecast for the start tonight of the six-month round-the-world Commonwealth tour by Elizabeth II and her husband, the Duke of Edinburgh.

Security guards at London airport kept a 24-hour watch over the American-built Stratocruiser Canopus before its takeoff for Bermuda, by way of Gander, Nfld.

It will be the first transatlantic flight in history for a reigning British sovereign though Elizabeth, before succeeding to the throne, made the aerial crossing with her husband in 1951 for their tour of Canada and the United States.

The farewell was planned as a full state occasion, with members of the royal family on hand to see the Queen and the duke off.

with the strangulation slaying of his wife.

Chief of Police Oscar Blough said that the man, Gayton Ellingwood, telephoned police yesterday to give himself up after writing several suicide notes.

Alfred Cunningham, captain of detectives, reported the Ellingwoods had numerous quarrels recently and that the choking evidently occurred Saturday night in their apartment.

ITALY AGREES TO SESSION ON TRIESTE

ROME (AP)—The Italian Foreign Ministry said today that Italy has agreed unconditionally to the Big Three proposal for a five-power conference on the future of disputed Trieste.

Previously foreign diplomatic sources had indicated that Italy's assent to the conference proposal had been taken into consideration by the Allies and the Allies' suggestion for a five-power conference was accepted.

In Belgrade, the official Yugoslav news agency Tanjug said yesterday that the conditional acceptance attributed earlier to Italy appeared to be along lines laid down previously by Rome. Tanjug said any proposal for a conference taking for granted that part of the territory would be turned over to Italy was "completely unacceptable" to President Tito's government.

Call Five Powers

The Italian spokesman said the United States, Britain and France on Nov. 13 had suggested that Italy and Yugoslavia meet with them on Trieste and that Italy had

accepted the Western suggestions "in bloc."

The details of the Western proposals have not been made public. Previously Italy had suggested that before a conference, Italy and Yugoslavia should be put on the same footing with regard to Trieste by either Italian occupation of Zone A, now occupied by British and American troops, or Yugoslav withdrawal from Zone B. Yugoslavia turned down that suggestion flatly.

Italy's spokesman said today: "Insofar as Italy is concerned, there is a green light for the five-power conference."

Scribe Raises Question: Did FDR Know About Red Spy Ring?

By JAMES MARLOW

WASHINGTON — Atty. Gen. Brownell, whatever his reason, knipped over the Roosevelt administration when he accused former President Truman of being lax with Communists.

Yet the alleged spy rings must have been inherited by Truman from the Roosevelt regime. But Truman and FBI Chief J. Edgar Hoover, like Brownell, concentrated their explanations on what happened in Truman's time.

This glossing over of the Roosevelt period raises questions which may have to be answered before the sensational case of Harry Dexter White fades from the news.

For example: Did Roosevelt ever know, or was he ever told, about a spy ring in government in his administration? If so, who told him? How did he handle it? Any differently from Truman?

White went to work for the government in 1934. Whittaker Chambers says White was in a Soviet

spy ring in the mid-1930s. Elizabeth Bentley says he was still spying in the last years of Roosevelt's administration.

Trace Spy Work

Perhaps in aiming so hard at Truman, Brownell figured he could start the ball rolling and then let the Senate's subcommittee on internal security, which is investigating subversion, pick up the ball and run with it.

This subcommittee can hardly consider its work complete without tracking the alleged spies back to Roosevelt's days and learning whatever was then known or done about them.

Truman, always loyal to Roosevelt and his memory, could have tried in his talk to the nation to take some of the heat off himself by saying he had merely inherited any spy ring that existed.

Instead, he took full responsibility himself for what was or wasn't done.

Hoover, brought into the dispute,

specto only for warnings sent by the FBI to the White House in Truman's time. Hoover made only vague reference to reports to Roosevelt and former President Herbert Hoover.

Woman Spy Confesses

On Nov. 8, 1945, Miss Bentley went to the FBI and told of White and others she alleged were spies. She said she had been a Soviet spy ring courier. Within a month Hoover sent a 30,000-word report about the alleged spies to Truman.

Yesterday a Washington newspaper editor (J. R. Wiggins of the Post), in a lengthy analysis of the White case, wrote: "The speed with which the Bentley information was relayed to the White House (and the absence of any claim of prior knowledge) suggests that the Bentley story was as great a surprise and shock to the FBI as it was to the President and his Cabinet."

"A counterespionage system that depends for its first information of treason upon the disaffection of an enemy agent falls somewhat short of desired efficiency."

When Hoover, testifying before the Senate subcommittee, denied reports he had agreed with Truman to keep White in the government, he did what Brownell and Truman did: stuck to what happened in Truman's time.

Didn't Senator Date

No senator asked him if he had made any reports on White or a spy ring to Roosevelt, or knew about them then, Hoover didn't volunteer any such information.

He did say in his report to Truman on White, in February 1946,

that the information came from 30 different sources whose reliability had been established by "inquiry or long-established observation and evaluation."

This would indicate Hoover had had the finger on White a long time or had done very speedy work finding out about him in the three months after Miss Bentley walked into the FBI to tell her story.

In his book, "Witness," Chambers, admitted onetime spy messenger, said he first told the FBI about the spy ring and White in 1941. Two FBI agents visited him then, he said, adding that he did not hear from the FBI again for a year.
